

Prayers – Mardelle Jordan

I will lift up my eyes to the hills from whence cometh my help
My help cometh from the Lord who made heaven and earth
Lord in your mercy hear our prayer.

For those who have to make decisions that affect all of us
Grant them wisdom and understanding, help them to do the right things
Lord in your mercy hear our prayer.

For the doctors, nurses, care workers and other staff who look after those affected by the
virus
Grant them compassion and patience as they do their best
Lord in your mercy hear our prayer.

For those who are nearing their life's journey end, grant them peace and rest
Bring comfort to their relatives and their friends
Lord in your mercy hear our prayer.

Merciful Father accept these prayers for the sake of your son, our Saviour Jesus Christ
Amen
